Abstract: State and local government agencies will use the Application for Registration of Firearms Acquired by Certain Governmental Entities - ATF Form 10 (5320.10) to register an otherwise un-registerable National Firearms Act (NFA). The NFA requires the registration of certain firearms under Federal Law. The Form 10 registration allows State and local agencies to comply with the NFA, and retain and use firearms that would otherwise have to be destroyed. The information collection (IC) OMB 1140-0016 (Application for Registration of Firearms Acquired by Certain Governmental Entities - ATF F 10 (5320.10)) is being revised due to an increase in the total respondents, responses, burden hours and associated costs, since the last renewal in 2020. Additionally, the adjustments associated with this IC includes an increase in both, the total number of respondents and responses by 544. Consequently, the total public burden hours and costs for this IC has also increased by 272 hours and \$171.36 respectively, since the last renewal in 2020.
